

The Data Incubator

2018 - 2019 California School Performance Fact Sheet

Data Science Fellowship Program (320 hours / 8 weeks)

Please note, this program is newly recognized by the California Bureau of Private Postsecondary Education. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unavailable at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data.

This program was approved by the Bureau on 07/25/2018. **As of 07/25/2020, two full years of data for this program will be available.**

Cost of Educational Program

Total charges for the program for students completing on-time in 2019:

\$8,000 (distance education)

\$16,000 (in-person education)

Additional charges may be incurred if the program is not completed on-time.

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Students at The Data Incubator are not eligible for federal student loans. This institution does not meet the U.S. Department of Education criteria that would allow its students to participate in federal student aid programs.

Student's Initials: _____ **Date:** _____

Initial only after you have had sufficient time to read and understand the information.

Data Science Fellowship Program (320 hours / 8 weeks)

Definitions

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

Data Science Fellowship Program (320 hours / 8 weeks)

Definitions (continued)

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

Student's Right to Cancel

The Student has the right to cancel their Enrollment Agreement without any penalty or obligation through attendance at the first class session, or seven days after enrollment, whichever is later.

Cancellation is effective when student provides written notice of cancellation to Admissions Lead, Alyssa Thomas, via email (alyssa@thedataincubator.com). The notice must clearly express the student no longer wishes to be bound by the Enrollment Agreement. If the Agreement is cancelled in the manner described herein, the Institution will refund the student any net institutional fees paid, less the Registration Fee, within 30 days after notice of cancellation is received.
