

THE DATA INCUBATOR FINANCING OPTIONS

We understand that attending The Data Incubator's Data Science Fellowship program is a large financial and time commitment.

To help you get the most out of this program, we offer a variety of financing options and career services to give you the best chances for success.

CAREER SERVICES

CAREER COACH

Get expert tips on how to wow potential employers in interviews.

RESUME GUIDE

Learn to build a strong resume that best represents your skills.

JOB SEARCH STRATEGIST

Get help finding a great first job as a data scientist.

HAYS RECRUITING

In addition to our own list of impressive hiring partners, we now work with Hays, the leading specialist recruitment firm that places candidates in jobs across 33 countries.

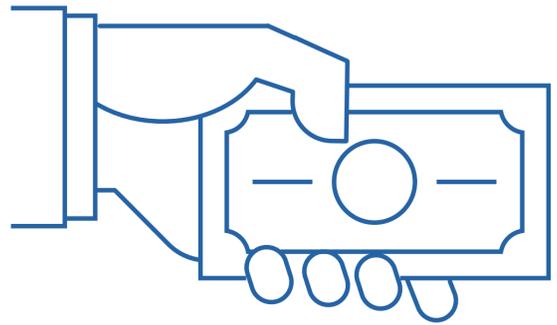

INCOME SHARING

With our new income sharing agreement through Leif, you don't pay any tuition to TDI until you're earning at least \$40,000 a year.

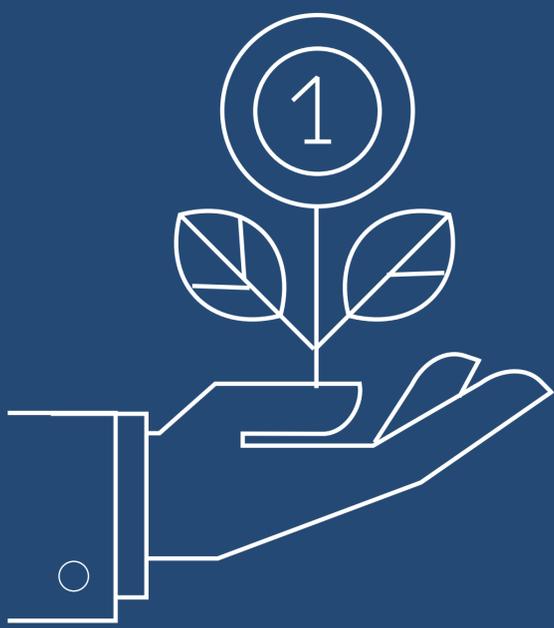

We'll provide you with all the support you need to land a role as a data scientist after you graduate.

When you succeed, so do we.

Contact Leif at **646-760-3318** or **support@leif.org** to learn more.

Only available to individuals with a US SSN. Monthly payments based on percentage of income. Payments cease when you reach the cap or payment schedule ends.

FINANCIAL ASSISTANCE

Need financial assistance to attend our program? We've partnered with Climb Credit to help you get the funds you need to pursue your dreams.

Climb Credit offers 3-years financing loans with fixed interest rates and monthly payment options. And they now offer loans to cover your living expenses too!

Learn more at [Climb Credit.com/TheDataIncubator](https://ClimbCredit.com/TheDataIncubator).

AIDE FOR INTERNATIONAL STUDENTS

Stilt, a lender specializing in loans for visa holders, immigrants, non-U.S. citizens and the under-served, can provide financial assistance for visa holders with at least 6 months left on their visas.

Stilt evaluates factors including employability and level of education. International students interested in a Stilt loan should email Admissions@TheDataIncubator.com for a letter to include with your application.

Visit Stilt.com to learn more.

ELIGIBLE VISAS INCLUDE:

CPT OPT H-1B TN J-1

The Data Incubator's Fellowship program trains the data scientists of tomorrow. Our rigorous, intensive 8-week bootcamp focuses on teaching the tools and techniques most in-demand for today's businesses. Learn more about us at TheDataIncubator.com.
